STATEMENT ON INDUSTRIAL POLICY

THE DEPUTY CHAIRMAN: Shri P. K. Thungon *(Interruptions)*

SHRI JAGESH DESAI (Maharashtra): Madam, I haye a point of order.

SHRI YASHWANT SINHA (Bihar): if he is laying the new Industrial Policy, then, I have a point of order.

SHR! DIPEN GHOSH (West Bengal): Madam, I have a point of order.

THE DEPUTY CHAIRMAN: Mr. Thungon, please, just a minute. Let me handle the points of order.

SHR! JAGESH DESAI: Madam as I mentioned in the morning,....

SHRI YASHWANT SINHA: Madam, whom are you allowing?

THE DEPUTY CHAIRMAN: One by one I wilt allow everybody. Let him speak. Then I will allow you, I will allow him, T will allow everybody. But let me first handle one Point of order.

SHRI JAGESH DESAI: Madam, earlier also a statement on the Industrial Policy was made and clarifications were allowed to be sought. Now they want to take away our risrbt. As such, after the statement is made, we should be allowed to os'r clarifications on this issue. Without that he should not be allowed to lay it on fhe Table.

.THE DEPUTY CHAIRMAN: What is your point of order, Mr. Dipen Ghosh?

SHRI DIPEN GHOSH: It has beea announced that Mr. P. K. Thungon would lay on fhe Table a statement on the Industrial Policy. The Industrial Policy i» such a matter, a serious matter which i» being talked about in the newspapers all these days. It i_s related to the entire economic approach of the new Government. So, if it is merely laid on the Table unless a substantive motion is brought to have a discussion, as the procedure stands, Madam,...

. .THE MINISTER OF STATE IN THE MINISTRY OF PARLIAMENTARY AFFAIRS AND THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS (SHRI M. M. JACOB): This is only laying the paper. *(Interruptions).*

THE DEPUTY CHAIRMAN; Just let everybody speak so that we can finish it fast. Okay, agreed.

SHRI DIPEN GHOSH: My point is that it is a method of taking away the right of Rajya Sabha Members to have a debate and discussion on this Policy and I to approve it or disapprove it. So, I would ask the Government through you that Ihis policy should be read out in the House and immediately thereafter a full-full fledged debate on it should follow.

SHR? YASHWANT SINHA: I would like to know under what Rule of Procedure this policy statement is being laid on i!i: Table of the House. Rule 251 govern- statement by a Minister. A Min'ster has to make a statement under Rule 251. He cannot lay it. A discussion on the industrial policy statement fhat was mp.de last time T think, we all missed this point. Therefore, my point is that the Minister should make the Statement. He cannot lav ' the statement. That will give us- an opportunity to discus': ' tatement. Now. despite the faet that T b longed to the ruling partv at that time, I regret verv much that vre couM not g et an opportunity at that point of time to disens.; (he Indust'ial Policy Resob-clutionv.'Mch had been tabled by the then Government. This was despite the fact that many of us were pressing '.hat
